ABOUT ME

My Name Is Mayankkumar Vala. I am Creative and team-oriented designer with a passion for working collaboratively. I bring strong communication skills and a positive attitude to every project, making sure to listen to others' ideas and contribute my own. I enjoy working with different people, sharing ideas, and solving problems together to create great designs. I Can Not Compromise With My Work.

SKILLS

- Creative Graphic Design** → Proficient in creating visually appealing graphics for branding, social media, marketing, and web
- Printing & Pre-Press Solutions** → In-depth knowledge of print design, layout, and color theory with expertise in preparing files for professional printing.
- Adobe Creative Suite Mastery** → Expert-level skills in Adobe Photoshop, Illustrator, Corel draw, and Premiere Pro.
- Visual Communication & Branding** → Strong understanding of visual hierarchy, typography, color psychology, and brand consistency.
- Problem-Solving & Creative Thinking** → Apt at translating complex ideas into clean, effective visual concepts.
- Team Collaboration & Client Communi-** → Experienced in working with teams and directly with clients to meet design objectives and deadlines.
- Time Management & Multitasking** → Capable of handling multiple design projects simultaneously under tight deadlines.
